

No	product name	Model	Height (mm)	lighting source	system	Picture
1	solar lawn light	ESD-SC502	300	super-bright LED	1)solar panel:2.0Wp; 2)Maintenance-free lead acid battery: 6V4Ah; 3)Light source: super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:cast metal&zinc-plated&imitate wood grain; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C;8)packing size(mm): 382*382*822	
2	solar lawn light	ESD-SC503	600	super-bright LED	1)solar panel:2.0Wp; 2)Maintenance-free lead acid battery: 6V4Ah; 3)Light source: super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:cast aluminum; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C;8)packing size(mm): 345*345*630	
3	solar lawn light	ESD-SC504	600	super-bright LED	1)solar panel:2.0Wp; 2)Maintenance-free lead acid battery: 6V4Ah; 3)Light source: super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:cst aluminum; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C;8)packing size(mm): 285*285*630	
4	solar lawn light	ESD-SC507	380	super-bright LED	1)solar panel:2.0Wp; 2)Maintenance-free lead acid battery: 6V4Ah; 3)Light source: super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:cast aluminum; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C;8)packing size(mm): 285*285*410	

5	solar lawn light	ESD-SC511	700	super-bright LED	<p>1)solar panel:2.0Wp; 2)Maintenance-free lead acid battery:6V4Ah; 3)Light source:super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:cast aluminum; 6)working time:12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 280*280*730</p>	
6	solar lawn light	ESD-SC513	940	super-bright LED	<p>1)solar panel:1.5Wp; 2) battery:3.6V2000mAh(Ni-cd); 3)Light source:super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:stainless steel; 6)working time:12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 310*310*995</p>	
7	solar lawn light	ESD-SC514	1000	super-bright LED	<p>1)solar panel:1.0Wp; 2) battery:3.6V1500mAh(Ni-cd); 3)Light source:super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:stainless steel; 6)working time:12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 310*310*1055</p>	
8	solar lawn light	ESD-SC515	950	super-bright LED	<p>1)solar panel:2.0Wp; 2) battery:Maintenance-free lead acid battery6V4Ah; 3)Light source:super-brightLED; 4) controller:soular special intelligent controller; 5)Body material:stainless steel; 6)working time:12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 310*310*1055</p>	

9	solar lawn light	ESD-SC519	460	super-bright LED	<p>1)solar panel:0.3Wp;  2)battery: 3.66V1500mAh(Ni-cd); 3)Light source: super-brightLED; 4) controller:soular special intelligent controller;  5)Body material: stainless steel; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 310*310*630</p>	 
10	solar lawn light	ESD-SC522	600	super-bright LED	<p>1)solar panel:2.0Wp;  2)Maintenance-free lead acid battery: 6V4Ah; 3)Light source: super-brightLED; 4) controller:soular special intelligent controller;  5)Body material: stainless steel; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 310*310*630</p>	 
11	solar lawn light	ESD-SC523	1200	super-bright LED	<p>1)solar panel:3*0.3Wp; 2) battery: 3*3.6V1500mAh(Ni-cd); 3)Light source: super-bright LED(Multicolor); 4) controller:soular special intelligent controller;  5)Body material: stainless steel; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 315*315*875</p>	 
12	Solar wall light	ESD-SQ501	430	super-bright LED	<p>1)solar panel:2.0Wp;  2)Maintenance-free lead acid battery: 6V4Ah; 3)Light source: 0.7W-LED; 4) controller:soular special intelligent controller;  5)Body material: cast aluminum; 6)working time: 12h/day, for 5-7overcast days; 7)environment temperature: -20°C~ +65°C; 8)packing size(mm): 294*294*490</p>
